In May the Fire Company responded to 17 calls for a total of 63 calls to date.

1. All apparatus is in good operating condition with no major issues to report.
2. The cascade system is in need of its annual inspection.
3. I would like to request the purchase of a gated LDH valve for the rear direct intake on Ladder 7205. This valve will be a safety improvement to the personnel working on and around the apparatus. Quote attached.
4. Two members will be completing the Atlantic County Fire Academy this month. I would like to request upon passing the final the two members be issued Class A uniforms for the Firefighter One graduation.

Respectfully Yours
