**Tuesday, December 01, 2020**

**November 2020 the Fire Station responded to 9 calls for a total of 215 calls for the year.**

1. All apparatus is functioning properly with no major issues to report.
2. At this time we do not have any members quarantined or infected with the Covid-19 virus. Two weeks ago we did have one member with a positive test so as a precaution the Station, apparatus, gear and all equipment has been sanitized.
3. The dump chute is received and in service on 7201.
4. The new radios have been installed in all vehicles with the exception of 7206. These vehicle radios along with the portables are still a work in progress. The antennas still need to be installed on 7200 and 7210.
5. The jet-ski trailer modifications to carry the jon-boat will be done sometime in late December.
6. I am requesting the purchase of ladder safety belts to replace the aging inventory. The quote is for 8 belts of various sizes. Quote attached.
7. I am requesting the purchase of a 10ft pike pole and folding ladder to be mounted on 7217. Quote attached.

**Respectfully Yours**
