August

~~July~~ 2020 the Fire Company responded to 44 calls for a total of 170 calls to date.

1. All apparatus is functioning properly with no issues to report.
2. Pump, hose and ground ladder testing will be performed next month. PM has been completed on 01 and 05.
3. At this time we do not have any Covid-19 infected members to report.
4. The 7237 project has been put on hold while I explore some other options.
5. The remainder of the PFD order has been received.
6. I am submitting a request and quote to have modifications made to the jet-ski trailer to also hold the jon-boat and expand the capabilities of the Marine Rescue Unit.
7. We have managed to acquire a new tailgate for 7217 at no cost. I am submitting quotes for having the tailgate wrapped with the reflective chevron similar to 7201 and 7205.
8. In the hose inventory we have a damaged section of 1 $\frac{3}{4}$  red hose the can be repaired and a 100' section of 1 $\frac{3}{4}$  red hose that needs to be made into two sections.
9. The Fire Company has one probationary member that is in need of a physical. This was postponed due to his becoming a member at the height of the pandemic.

**Respectfully Yours**
